

Fighting For A Variety Of Automobile Accident Injuries

Auto accidents vary greatly in severity — ranging from simple fender benders to dangerous semitruck accidents. At the Law Offices of Phil W. Felice PC, we have represented a variety of automobile accident injuries in New York, including:

- Car accidents
- Motorcycle accidents
- Semitruck accidents
- Bicycle accidents
- Uninsured motorists
- Drunk driving accidents

These injuries can involve parties beyond those involved in the accident. An experienced attorney can identify every party at fault, and fight for a complete compensation package that reflects the damages you suffered.

You Deserve A Fair Financial Recovery

Your automobile accident could result in serious injuries, costly property damage, and possibly permanent disabilities that may impact your career prospects. Every injury is different, and our law firm is adept at evaluating your case and finding personalized solutions for your needs.

Whether we settle or litigate your case, you can rest assured that we are fighting for the fair results you deserve. We will fight for recovery for any medical bills, lost wages, property damage, pain and suffering and more.

We Offer Free Consultations — Call Us Today

When you schedule a consultation for your injury representation, we can help you determine what you are entitled to. Our reputable personal injury lawyer has helped many clients find financial recovery after a serious accident.
